

**To:** Mr. Aswin Kwanmuang  
**From:** Ittichote Jatupornkarnchana  
**Date:** May 6, 2021  
**Subject:** Proposal for overpass construction at Sathorn Road

### **Problem**

The traffic at Sathorn district is busy throughout the day with running fast cars and truck. Although there are zebra crossing at many intersections, the accident tends to happens many times in a month. Citizen living in the vicinity feel unsafe to cross the road. They feel that their life is at risk.

### **Background**

The accident in Sathorn district tends to be higher than the nearby district with have overpass at every intersection. The number of accidents occurs every month are shown as follows,

	<b>Jan</b>	<b>Feb</b>	<b>Mar</b>	<b>Apr</b>	<b>May</b>	<b>Jun</b>	<b>Jul</b>
<b>Sathorn</b>	13	14	21	9	12	26	21
<b>Silom</b>	1	3	4	0	2	4	1
<b>Siam</b>	0	0	3	2	1	6	1

The above table clearly shows that the accident rate in Sathorn district is higher than the neighboring district that provide people with overpass in every intersection.

### **Solution**

The municipality should consider on overpass construction as soon as possible, especially in South Sathorn intersection which have a lot of cars during rush hours and in the evening.

### **Benefit**

After the overpass construction people would feel safer on crossing the road. This will provide relief to them. Kids and teenager will find it easier to get across.

### **Conclusion**

By constructing the overpass, the number of road accidents would significantly be reduced. I hope that you will consider this matter and take it to action soon.
